PRESBYTERIAN CHURCH

Fathers, Brothers, and Guests of the South Texas Presbytery,

The Session, leadership, and congregation of Redeemer Presbyterian Church in Austin welcome you to the 151st meeting of the South Texas Presbytery on August 11-12, 2023, ([2111 Alexander Ave., Austin, TX, 78722](https://redeemerpres.org)).

Redeemer Austin's history is well known by all of you and many of those who worship in our churches. Begun as a church plant sent out of Park Cities Presbyterian Church in Dallas by Rev. Paul Hahn in 1992 as a prayer group, God has been faithful to us and our Presbytery for the past 31 years! We pray for 31 more years of faithful ministry, church planting, and multiplication! We are thrilled to invite Rev. Paul Hahn back to the pulpit of Redeemer as we worship together Friday evening. We also ask you to pray for Rev. Eric Landry and his family while he enjoys a well-earned summer Sabbatical. Pray that this rest helps him be more like Christ and fuels him to continue to faithfully serve His church both here in Austin and through his leadership role with Sola Media.

This stated Presbytery meeting comes on the heels of the 50<sup>th</sup> General Assembly of the PCA. Many of us gathered in Memphis for fellowship, worship, and to conduct the business of the Church. We are excited to continue this work together in our Presbytery and pray that, as a denomination, we remain grounded on the firm foundation of God's Word, rooted in the Reformed Tradition, and committed to the Great Commission. God has been so gracious and faithful to the PCA for the past 50 years, and we pray for not only 50 but 100 more years of the gospel being proclaimed worldwide!
